NEW HOBE SOUND POLO CLUB: "POLO FOR POLO'S SAKE"

Friday morning, I visited the site of the new Hobe Sound Polo Club and discovered much advancement. Below, Tim Gannon is galloping on the polo field facing Adolfo Cambiaso (photo at left) and Andres Weisz' new 24-stall barn to be completed in the next 30 days.

Coining the phrase "Polo for Polo's Sake,"

Tim Gannon said the club was being built with great care by top-notch developers Tucker Frederickson and Bob Whitley, adding that "if Wellington could be compared to Rome for Polo in the United States," he likened the idea of Hobe Sound Polo Club to be Florence.
